# Directors' Report

Directors of your company are pleased to present the financial statements for the half year ended December 31st 2017.

The economic situation continued to send mixed signals, with increasing oil prices, widening current account deficit and increased pressure on the foreign exchange rate resulted in PKR losing 5.5% of its value against USD. These pressures if continued may impact the growth. However GDP and large scale manufacturing grew at 5.0% and 8.1% reflected the underlying strength of the economy.

Sales Revenue for the half year reflected a healthy growth of 45% at Rs.22.2 billion compared with Rs.15.22 billion for the same period last year. It was largely on back of growth in key industry segments like automobiles, construction, home appliances and infrastructure. The gross profit at Rs. 3.7 billion (17% of sales) grew by 33% over last year Rs.2.8 billion. During the period the company moved from Alternate corporate tax regime (ACT) to normal tax regime (NTR) resulting in a higher tax charge as compared to the last year. As a consequence tax charge was Rs. 858 million vs Rs.1,046 million. PAT was Rs. 2.12 billion compared with last year's Rs.1.15 billion. Similarly the EPS was Rs. 5.02 vs Rs. 2.67 in first half of last year. The improved performance of the company was achieved by strong focus on meeting and exceeding customer expectations, stability in international steel prices as well as relentless focus on productivity based initiatives.

The capacity enhancement project initiated late last year is on track for commissioning in the final quarter of the current financial year. On completion of the project the company will be able to add significantly to its cold rolling capacity besides meeting the entire national demand of Galvanized and color coated steel. The completion of the project will result in major import substitution opportunity resulting in increased savings in foreign exchange for the country.

We pray to almighty Allah for the continued success of your company.

For & on behalf of  
International Steels Limited

Kemal Shoaib  
Chairman

## 12. CONTINGENCIES AND COMMITMENTS

### 12.1 Contingencies

12.1.1 The Sindh Finance Act, 1994 prescribed an infrastructure fee at the rate of 1% of the C&F value of all goods entering or leaving the province of Sindh via sea or air. The High Court of Sindh on petition filed by the petitioner, passed an interim order directing that every company subsequent to 27 December 2006 is required to clear the goods on paying 50% of the fee amount involved and furnishing a guarantee / security for the balance amount. Bank guarantees issued as per the above mentioned interim order amount to Rs. 616.5 million (2017: Rs. 536.5 million), have been provided to the Department. However, a provision to the extent of amount utilized from the limit of guarantee has also been made for by the Company on prudent basis (Note 10.2). Subsequently through Sindh Finance Act 2015 and 2016, the legislation has doubled the rate of said cess. The Company has obtained stay against these and the ultimate dispute has been linked with the previous infrastructure cess case.

12.1.2 In 2011, the Gas Infrastructure Development Cess was levied via GIDC Act 2011 and further the rate of cess was amended via Finance Bill 2012 - 2013 which was challenged in the Supreme Court of Pakistan. The Supreme Court of Pakistan declared GIDC Act 2011 to be unconstitutional and ultra vires on the grounds that GIDC is a 'Fee' and not a 'Tax' and in the alternative it is not covered by any entry relating to imposition or levy of tax under Part-I of the Federal Legislative list and on either counts the 'cess' could not have been introduced through a money bill under the Constitution.

During 2015, the Government passed a new law 'Gas Infrastructure Development Cess Act 2015' ('the Act'), by virtue of which all prior enactments have been declared infructuous. The said Act levies GIDC at Rs. 100 per MMBTU on industrial consumption and Rs. 200 per MMBTU on captive power consumption, effective 01 July 2011. The Company has obtained a stay order on the retrospective application of the Act from the Honourable High Court of Sindh. The Company is confident of favourable outcome and therefore has not recorded, to the extent of self consumption, a provision of Rs. 380.8 million (from 01 July 2011 till 22 May 2015) in this condensed interim financial information. However, the Company made a provision of GIDC to the extent of its self consumption from May 2015 onwards. On 26 October 2016, the High Court of Sindh held that enactment of GIDC Act 2015 is ultra-vires to the Constitution of Pakistan. Sui Southern Gas Company Limited has filed an intra-court appeal before the Divisional Bench of High Court of Sindh. This appeal filed before the Divisional Bench of High Court of Sindh was dismissed on the ground that Learned Single Judge while passing the impugned judgement has considered all the material facts and also the relevant provisions of OGRA and has correctly applied the factual position. On 31 May 2017, separate petition filed by another company in the Peshawar High Court challenging the vires of the GIDC Act 2015 was dismissed for the reason that the Act has been passed by the Parliament strictly in accordance with the legislative procedures contained in the Constitution of Pakistan and therefore no procedural defect in the Act which could be made as a ground for its annulment. In view of aforementioned developments, the Company on prudent basis, continue to recognise provision after the passage of the Act.

Further the Company has not recognized GIDC amounting to Rs. 795 million (2017: Rs. 739 million) pertaining to period from 01 July 2011 to 31 December 2017 with respect to its captive power plant from which power generation is supplied to K-Electric Limited. Management considers that, in the event such levy is imposed, it shall recover GIDC from K-Electric Limited through fuel adjustments after getting requisite approval from National Electric Power Regulatory Authority (NEPRA).

## Notes to the Condensed Interim Financial Information (Un-audited)

For the six months period ended 31 December 2017

- 12.1.3** Section 113(2)(c) of the Income Tax Ordinance, 2001 was interpreted by a Divisional Bench of the High Court of Sindh in the Income Tax Reference Application (ITRA) No. 132 of 2011 dated 07 May 2013, whereby it was held that the benefit of carry forward of minimum tax is only available in the situation where the actual tax payable (on the basis of net income) in a tax year is less than minimum tax. Therefore, where there is no tax payable due to brought forward tax losses, minimum tax could not be carried forward for adjustment with future tax liability.

The Company, based on legal counsels' advice, considered that certain strong grounds are available whereby the aforesaid decision can be challenged in a Larger Bench of the High Court of Sindh or the Supreme Court of Pakistan. A leave to appeal against the aforesaid decision has already been filed before the Supreme Court of Pakistan by other companies which is pending for hearing. In view of above, the Company is confident that the ultimate outcome in this regard would be favourable.

Further, based on the tax expert's advice obtained during the year, accumulated minimum tax liability under Section 113 of the Income Tax Ordinance, 2001 (the Ordinance) of Rs. 431 million was determined from the tax years 2013 till 2015 and an amount of Rs. 248 million on account of Alternate Corporate Tax (ACT) for the tax year 2016 under Section 113(C) of the Ordinance. However, based on the assessment and estimation for availability of sufficient taxable profits on the basis of 5 years projections and tax credits available to the Company under section 65(B) of the Income Tax Ordinance, 2001, accumulated minimum tax liability and alternate corporate tax net of tax credit under section 65(B) amounting to Rs. 151 million (2017: Rs. 157 million) has not been recorded in this condensed interim financial information.

- 12.1.4** Oil and Gas Regulatory Authority (OGRA) has issued notification for increase in gas tariff disregarding the protocol laid down in OGRA Ordinance, 2002. The Company has filed a suit in the High Court of Sindh (the Court) challenging the gas tariff increase. The Court has granted a stay order, subject to security deposit of the differential amount with the Nazir of the Court. The Company has deposited amount of Rs. 223.7 million (2017: Rs. 107.7 million) as post dated cheques with the Nazir of the Court. The Company, on prudent basis, has also accrued this amount in this condensed interim financial information.
- 12.1.5** Sindh Revenue Board (SRB) issued separate notices to the Company for payment of Sindh Workers Welfare Fund and Sindh Workers' Participation Fund under their respective statute. The Company filed constitutional petition in the High Court of Sindh, challenging the said unlawful demands on the ground that the Company is a trans-provincial establishment operating industrial and commercial establishment across Pakistan. The High Court of Sindh, accepting the arguments, granted stay order in favour of the Company. Based on the legal consultation, management expects favourable outcome in the petition.
- 12.1.6** The Model Collectorate of Customs (MCC), Peshawar stopped the exports of the Company goods to Afghanistan under the pretext that SRO 190(I) / 2002 dated 2 April 2002 on the account of non-payment of 17% Sales Tax. A Constitutional Petition in the Sindh High Court (SHC) on 1 October 2015 arguing that there is no sales tax on exports to Afghanistan as per manufacturing bond rules SRO 450(I) / 2015 and that SRO 190 issued in 2002 was never implemented and hence under the Sales Tax Act 1990 no such liability could be raised at this stage. The SHC granted a stay order by allowing our exports to Afghanistan subject to depositing bank guarantees worth Rs. 2.65 million (2017: Rs. 2.65 million) (i.e. value of disputed sales tax amount) before the Nazir of the SHC. On 30 October 2015 FBR issued a clarification as to the applicability of SRO 190(I) / 2002 and stated that exports made to Afghanistan does not attract the levy of sales tax. The same has already been filed before the SHC and disposal of the case along with return of the said bank guarantees is awaited.
- 12.1.7** Guarantees issued in favour of Sui Southern Gas Company Limited by the bank amounted to Rs. 273.7 million (2017: Rs. 268.7 million) as a security for supply of gas.
- 12.1.8** Guarantees issued in favour of Pakistan State Oil Company Limited issued by bank on behalf of the Company amounted to Rs. 12.0 million (2017: Rs. 5.5 million).
