Directors' Report

The directors of your company are pleased to present the condensed unaudited financial statements for the first quarter ended 30 September 2016.

Your company's sales and production grew by over 130% realizing the impact of capacity expansion last year of additional stand on the rolling mill as well as the addition of a new Galvanizing line. **The current Galvanized capacity is more than sufficient to meet the entire national demand** enabling the country to save on foreign exchange, job creation as well as a significant contribution to national exchequer. During the quarter your company extended its export footprint by exporting to Indonesia, besides South Africa and the Middle East. Your company's expansion plan will be completed in October, expanding capacity to 600,000 tons from existing 500,000 tons.

The volatility in steel prices market has continued due to the economic slowdown in China and world markets resulting in a significant surplus of steel products. During the quarter some stability has been observed in steel market as a result of increasing prices of raw materials. The imports from China under the free trade agreement continued to adversely impact the local industry.

Government has reconstituted the National Tariff Commission in September and the Commission is expected to consider both Cold rolled and Galvanized sheets and coil cases in the coming weeks. We expect the outcome will confirm final duties on cold rolled and provide preliminary relief on Galvanized sheets and coils given the injury already caused to the local industry.

In spite of these challenges your company registered net sales of Rs.6.59 billion compared with Rs.2.86 billion reflecting an increase of 130% and a profit after tax of Rs. 566 million compared to a loss after tax of Rs. 203 million in the first quarter of last year. Similarly EPS was Rs.1.30 compared with loss of Rs.0.47 in the same period last year.

In light of the improved economic climate in the country & the expected regulatory support and stability in company's operations, we expect the performance of the company will further improve.

We pray to Almighty Allah for the continued success of your Company.

International Steels Limited

13. CONTINGENCIES AND COMMITMENTS

13.1 Contingencies

- 13.1.1** The Sindh Finance Act, 1994 prescribed an infrastructure fee at the rate of 1% of the C&F value of all goods entering or leaving the province of Sindh via sea or air. The High Court of Sindh on petition filed by the petitioner, passed an interim order directing that every Company subsequent to 27 December 2006 is required to clear the goods on paying 50% of the fee amount involved and furnishing a guarantee / security for the balance amount as directed. Bank guarantees issued as per the above mentioned interim order amounting to Rs. 416.5 million (2016: Rs. 376.5 million), have been provided to the Department. However, a provision to the extent of amount utilized from the limit of guarantee has also been made by the Company on prudent basis (Note 11.1).
- 13.1.2** As per the Gas Infrastructure and Development Cess Act 2011 (the Act), certain companies as specified in the Act (including 'Sui Southern Gas Company' (SSGC)) shall collect and pay Gas Infrastructure and Development Cess (GID Cess) in such manner as the Federal Government may prescribe. As per the second schedule of the Act, GID Cess of Rs. 13 per MMBTU was applicable on the Company. Through Finance Bill 2012 – 2013, an amendment was made to the Act whereby the rate of GID Cess applicable on the Company was increased to Rs. 100 per MMBTU. On 01 August 2012, the Company filed a suit bearing number 859/2012 wherein it has impugned the Act on the ground that the rate of GID Cess has been enhanced without any lawful justification and authority. The Honourable High Court of Sindh at Karachi vide its ad-interim order dated 06 September 2012 has restrained (SSGC) from charging GID Cess above Rs. 13 per MMBTU. As a result, SSGC invoices to the Company at Rs. 13 per MMBTU which has been recorded.

Peshawar High Court vide order dated 13 June 2013 declared that the provisions of the Act, imposing, levying and recovering the impugned Cess, as absolutely expropriatory and exploitative and being constitutionally illegitimate, having no sanction therefore under the Constitution, hence, are declared as such and set at naught. However, the Supreme Court of Pakistan vide its order dated 30 December 2013 has suspended the judgment of Peshawar High Court. On 22 August 2014, the Supreme Court of Pakistan upheld the decision of the Peshawar High Court stating the GIDC Act 2011 to be unconstitutional and ultra vires on the grounds that GIDC is a 'Fee' and not a 'Tax' and in the alternative it is not covered by any entry relating to imposition or levy of tax under Part-I of the Federal Legislative list and on either counts the 'cess' could not have been introduced through a money bill under the Constitution.

During the year 2014-15, the Government passed a new law 'Gas Infrastructure Development Cess Act 2015' - 'The Act', by virtue of which all prior enactments have been declared infructuous. The said Act levies GIDC at Rs. 100 per MMBTU on industrial and Rs. 200 per MMBTU on captive power consumption, effective July 01, 2011. The Company has obtained a stay order on the retrospective application of the Act from the Honourable High Court of Sindh. The Company is confident of a favourable outcome and therefore has not recorded to the extent of self consumption a provision of Rs. 380.8 million (from July 01, 2011 till May 22, 2015) in this condensed financial information.

Further the Company has not recognized GIDC amounting to Rs. 658 million pertaining to the period from 01 July 2011 to 30 September 2016 with respect to its captive power plant from which power generation is supplied to K-Electric Limited. Management considers that, in the event such levy is imposed, it shall recover GIDC from K-Electric Limited through fuel adjustments after getting requisite approval from National Electric Power Regulatory Authority (NEPRA).

13.1.3 Section 113(2)(c) of the Income Tax Ordinance, 2001 was interpreted by a Divisional Bench of the High Court of Sindh in the Income Tax Reference Application (ITRA) No. 132 of 2011 dated 07 May 2013, whereby it was held that the benefit of carry forward of Minimum Tax is only available in the situation where the actual tax payable (on the basis of net income) in a tax year is less than Minimum Tax. Therefore, where there is no tax payable due to brought forward tax losses, minimum tax could not be carried forward for adjustment with future tax liability.

The Company based on legal counsels' advices considered that certain strong grounds are available whereby the aforesaid decision can be challenged in a Larger Bench of the High Court of Sindh or the Supreme Court of Pakistan. A leave to appeal against the aforesaid decision has already been filed before the Supreme Court of Pakistan by other companies which is pending for hearing. In view of above, the Company is confident that the ultimate outcome in this regard would be favourable. Accumulated minimum tax liability of Rs. 219.2 million was determined for the tax years 2012 and 2013. However, based on the assessment and estimation for availability of sufficient taxable profits on the basis of 5 years projections and tax credits available to the Company under section 65 B of the Income Tax Ordinance, 2001, accumulated minimum tax liability amounting to Rs. 917 million has not been recorded on the same basis in this condensed interim financial information for the period ended 30 September 2016.

13.1.4 Guarantee issued in favour of Sui Southern Gas Company Limited by bank amounted to Rs. 262.7 million (2016:Rs. 262.7 million) as a security for supply of gas.

13.1.5 Guarantees issued in favour of Pakistan State Oil Company Limited issued by bank on behalf of the Company amounted to Rs. 5.5 million (2016: Rs. 5.5 million).

13.1.6 Guarantees issued in favour of K-Electric Limited issued by bank on behalf of the Company amounted to Rs. 8.67 million (2016: Rs. 8.67 million).

13.1.7 Guarantees issued in favour of Nazir High Court issued by bank on behalf of the Company amounted to Rs. 2.65 million (2016: Rs. 2.65 million).

13.2 Commitments

13.2.1 Capital expenditure commitments outstanding as at 30 September 2016 amounted to Rs. 413.85 million (2016: Rs. 320.07 million).

13.2.2 Commitments under Letters of Credit for raw materials and spares as at 30 September 2016 amounted to Rs. 8,992.39 million (2016: Rs. 6,578.36 million).

13.2.3 The unavailed facilities for opening Letters of Credit and Guarantees from banks as at 30 September 2016 amounted to Rs. 5,696.75 million (2016: Rs. 7,934.56 million) and Rs. 202 million (2016: Rs. 194 million) respectively.
